News sheet

January 2021

Happy New Year.

We do hope and pray that you are well and continuing to stay safe in these unprecedented times.

It is a very different beginning to the New Year.

We do, however, continue to have an online presence. Each week we have a service broadcast on [YouTube](#), which we stream live from St Anthony's Centre.

During the coming months we will continue to hold online services communion and prayer meetings. These will be via YouTube or Zoom, if you wish to join us but are not on our mailing list please do get in touch.

If you are unable to access any of the online services we are able to send you a video or sound recording on DVD, CD or USB stick.

If you need help with anything or just want a chat, our details are on the back of this sheet.

Corporate Worship 2021

Dear Brothers and Sisters,

We have been constantly reviewing our need and ability to hold communal worship during the current Pandemic.

Although we are legally able to hold communal worship at the St Anthony's Centre, all be it with restrictions on what we can and can't do, we have decided not to have people to come into the centre and ask that they access services via another medium. This could be online, DVD or CD. This is due to the restrictions mentioned below and the increase in cases of those with Covid -19, including a rising number within our own church family.

A service would look very different to those we are used to:

- You would have to book a place at the service, you cannot just turn up.
- You would have to use the hand sanitiser upon entry
- We would be unable to socialise before or after the service,
- We are not allowed to serve refreshments, the kitchen is closed so you must bring your own.
- Chairs/tables would be socially distanced within the building allowing a maximum of 20 individuals/bubbles.
- There is to be no singing out loud,
- Masks must be worn throughout your time in the building
- You must fill in a Track and Trace form for St Anthony's Centre, even if you use the App.
- We are unable to hold corporate communion
- We are unable to offer individual one to one personal prayer

We continue to pray that as more receive a vaccine we may be able to safely return to meeting together in the not too distant future.
