News sheet

September 2022

We do hope and pray that you have had a good summer.

Inside this edition you will find our diary for September 2022.

We offer a warm welcome at St Anthony's Centre on a Sunday morning with refreshments served from 10am. We aim to start our services at 10.15am.

We are blessed to be able to use the Tollgate School car park on a Sunday morning, if you wish to take advantage of this facility please contact us for more details.

If you are unable to join us in person for our Sunday services we continue to have an online presence each week and broadcast via [YouTube](#), which we stream live from St Anthony's Centre. This means that if you are unable to join us in person you can still join live, or watch later at your convenience. If you are unable to access any of the online services we are able to send you a video or sound recording of services on DVD, CD or USB memory stick.

If you need help with anything or just want a chat, our details are on the back of this sheet.

Cost of living crisis.

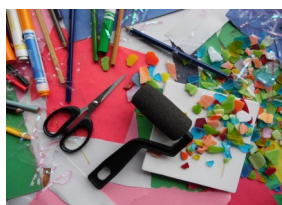

There is an initiative to offer a Warm Welcome Network across the country, this will involve churches, community centres and civil society organisations opening up their buildings to provide a place to go where guests can enjoy a warm space, practical support and pastoral care from staff and volunteers.

This is to open to all and more can be offered if available.

As part of God's church and being tasked to help take care of those in need it would be good if we can get involved with this project. However, this will be reliant on volunteers being available at our centres to help out. We may only be able to offer a limited service, but this would be better than nothing.

If you are interested in helping with this initiative please do let us know. We will not be able to sign up until we know we can commit to providing the resources.
